## WHY GREENVILLE?

### IT ALL STARTS DOWNTOWN

The revitalization of downtown Greenville has turned the business district into one of the most livable, vibrant communities in the city - and it's only getting better. Intensely planned urban-style development has created a widespread variety of restaurants, nightspots, parks, plazas, and urban residences that leave those who live here with an endless list of activities and entertainment. Residents and visitors enjoy 122 acres of parks, walking and biking trails.

A true gem within the downtown area is Falls Park on the Reedy River, which has been recognized by TripAdvisor as one of the "Top 10 Parks in America." Encompassing 32 acres, this park is an oasis, seamlessly bridging the gap between modern downtown and the historic West End. Residents benefit from its well-connected pedestrian paths and greenways, offering easy access to the Prisma Health Swamp Rabbit Trail System and Unity Park.
